The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the King City Downtown Electric Vehicle Charging Station Parking Lot project in fiscal year 2024. The entity to receive funding for this project is the City of King, located at 212 S. Vanderhurst Avenue, King City CA 93930. The funding would be used to acquire a property in the downtown area, grading and resurfacing of the lot; installation of electric service and connections; installation of landscaping improvements and signage; and creation of an artistic mural on the adjacent building. The project is an appropriate use of taxpayer funds because it will serve as a key component of a comprehensive effort undertaken by the City to revitalize and beautify its downtown area.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and/or 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren
Member of Congress
